A copy of each of the listed references is also enclosed.

Although the information submitted herewith may be "material" to the Examiner's consideration of the subject application, this submission is not intended to constitute an admission that such information is "prior art" as to the claimed invention.

In accordance with 37 C.F.R. § 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made.

This Information Disclosure Statement is being filed more than three months after the filing of the above-referenced application

A certification can be made that the references were cited in a search report within 3 months, or became known within the last 3 months *and* a first (non-Final) Official Action has been received.
